Step into a 15-acre property with amazing ocean, island, sunset and mountain views in the prestigious Makila Plantations on Maui. The CPR in place (property divided in two) allows flexibility to build your dream homes and more on the top of the hill on the West Maui Mountains. This property is zoned agriculture, two separate TMKS being offered: 2-4-7-011-015-0001 and 2-4-7-011-015-0002. The farm area is fenced in. Various possibilities await you: Ag condo zoning allows a main house, cottage, garage and barn on the two properties. Add a couple
